GENERAL INFORMATION

GENERAL ENGLISH COURSES

The **course book** that you will be given during your first week forms the basis of the syllabus, but is supplemented with a **wide range of other materials** to provide a **balanced curriculum** and take into account the needs and requests of students. Generally speaking, classes work through **one unit of the course book a week**, which is **complemented by other activities and exercises** in keeping with the themes, grammar and vocabulary of the week. Students are **often** asked to **work in pairs or small groups** in order to increase their classroom talking time and short communication activities are sometimes used by the teachers to add variety and fun. The year is divided into 4 main periods, the summer courses (14 weeks) and 3 other terms which last between 10 and 14 weeks. By the end of each of these periods a course book will have been completed.

The teachers have a clear idea of the syllabus they will be following as they normally choose the course book that they will be using themselves. Every week your Lesson 1 teacher makes a programme for your class, which is structured to offer a balanced programme covering **grammar, vocabulary, pronunciation**, and work on the **4 skills of speaking, listening, reading and writing**. It is designed to be **flexible**, and is influenced by discussion with students in the regular Friday interviews and the other teachers of the class. Teachers put up a **weekly plan of work** on the classroom wall to keep their students informed of what they will be studying each week and to provide an overview of what the class has already studied for any new students arriving.

ASSESSMENT

Teachers are constantly assessing their students; during class work, when they check their homework and following the regular tests. Feedback about a student's strengths, weaknesses and progress is given to them during their **Friday interviews**, which take place **at the end of their first week** in the school and **every 2 - 3 weeks after that**.

What do I do if I think I'm in the wrong level?

First, if a teacher thinks that a student should move up or down a level, he/she will discuss it with the other class teacher(s) and the student themselves before a decision is made.

If you think you are in the wrong level, talk to your teacher. If a student asks to **move up a level** before the end of term **and the teacher is not sure** whether they are able to cope at a higher level, **he/she will discuss it with the Director of Studies and arrange for them to do a special test** to help them to make a final decision. This is also the case if the student and teacher disagree about whether the student should move up. If students have weak communication skills, but a strong foundation in grammar, their skills will be monitored over a suitable period to see if they have reached the right level.

When students are staying longer than one term, they are interviewed by their teacher during the last week of the term. The aim of the discussion is for the teacher and student to agree which level the student should study at on the following course. The teacher knows the student's level the best, but if there is any disagreement, the student will be asked to take the alternative entry test.

Students normally do **class tests every 1-3 weeks** and are given a **written progress report a couple of weeks before they leave the school** and at the end of their first full term if they are long stay students.

EXAM INFO

EXAMINATIONS

We prepare students for IELTS (Academic), Cambridge First Certificate, Advanced and Proficiency exams.

CAMBRIDGE

Cambridge English First (FCE) – for Upper-Intermediate Level students (B2)

Cambridge English Advanced (CAE) – for Advanced Level students (C1)

Cambridge English Proficiency (CPE) – for Proficiency Level students (C2)

Candidates for FCE, CAE and CPE use an exam preparation course book at the appropriate level.

IELTS (Academic)

This full-time course is available to students who are B2 (upper-intermediate) level or above. We stress to students that good skills in English and a sound knowledge of grammar are essential for success in the exam. Students take their exams at various times and stay in the class for varying lengths of time, which means that the skills tested in the exam must be covered in a cyclical fashion. The exam is held in Bristol once or twice a month. Some students may need a UKVI IELTS exam, this is held in Cardiff or London.

CAMBRIDGE COURSES AT ELC BRISTOL

ELC Bristol has a long, successful history of preparing students for the Cambridge exams. Please read the following so you know what to expect.

- At the start of your course, students are given a Cambridge exam course book, which forms the basis for their studies and covers the Cambridge syllabus.
- The average class size is 10. The maximum is 14.
- Cambridge classes are not closed so students can join for periods shorter than 11/12 weeks.
- Most, but not all class members, are exam candidates. A few of our long-term General English students also ask to join exam classes.
- We do not believe in just practising with past papers; when students start the course, we familiarise them with the exam and then, as with the General English courses, we focus on the 4 skills of reading, writing, listening and speaking. This way we help students reach the level of English required to pass the exams.
- Exam practice is given throughout the course, but especially in the weeks leading up to the exam. A mock exam takes place 2 weeks before the exam date.
- Course fees for Cambridge courses and General English courses are the same.
- The exam is taken at the local exam centre in Bristol.
- The exam fee is payable direct to the exam centre. Students must book the exam themselves, directly with the exam centre.

STUDYING

STUDY STRATEGIES

Here are some tips which will help you study English more effectively.

YOUR ELC FOLDER

1. It is a good idea to organise your file so that you can find any materials quickly and easily. You can organise it under the headings below or, if you prefer, into Lesson 1, 2 & 3.

VOCABULARY

1. Write down any new words, phrases or expressions you learn inside or outside the classroom.

2. You may want to keep a 'vocabulary book'. When you write down new words, try writing down the 'word family' as well as the pronunciation.

3. Choose 6 or 7 new words or phrases each day that you think are important. Write them in sentences and then try to use them when speaking to people that day.

EXAMPLE:

VERB comfort	NOUN comfort
ADJECTIVE (un)comfortable	ADVERB (un)comfortably

SPEAKING

1. Don't worry about making mistakes when you are speaking. You can think about what you said later and then try to improve it the next time.

2. Use the new grammar and vocabulary you learn in the class outside the class.

3. Take advantage of any speaking situations the teacher gives you.

4. Take every opportunity you can to speak English.

5. Remember, speak English all the time in school.

READING

1. Read as much as you can and as widely as you can.

2. Concentrate on the general meaning of the text. Don't worry if you do not understand every word.

3. Try to use the context surrounding the word to help you guess what unknown words might mean. Think about whether the word(s) you don't know are nouns, adjectives etc.

4. Don't stop reading to find a word you don't know in the dictionary. Use the context to guess the word. Continue reading to get the general idea of the text. You can then go back and read the text again more carefully later with a dictionary.

STUDYING

STUDY STRATEGIES

WRITING

1. Writing will help you develop not only writing skills but also vocabulary and grammar. Consider keeping a diary and writing a little bit each day. Use new grammar or vocabulary you have learnt in the class in your writing. This will help you remember it more easily.
2. When your teacher corrects a piece of your writing, it is a good idea to write it again and keep it in your file. From time to time read over your 'old' writings.
3. Your teacher will often correct a piece of writing by using the symbols **below** so that you can correct your own work. This will help you to think about the kind of mistakes you make.

Gr: *grammar*

T: *tense*

^ : *add a word*

Sp: *spelling*

~~The:~~ *not necessary*

prep: *preposition*

P: *punctuation*

Ww: *wrong word*

WO: *wrong order*

R: *register (the word or phrase is not right for this kind of writing – too formal/informal)*

LISTENING

1. Listen to radio programmes, the TV, You Tube etc.
2. Concentrate on the general meaning. Don't worry if you don't understand every word.
3. If you are using the MMC, look at the podcasts in the '**self access**' materials.
4. Listen first for the general meaning and then repeat it to get more specific details.
5. If you're watching films in English, use English subtitles, not subtitles in your language.

PRONUNCIATION

1. When practising pronunciation, it is important to listen to yourself and then repeat the exercise you are doing. Try to get better each time.
2. Repeat the exercise until you are happy.
3. Remember, don't just practise individual sounds but also weak forms, intonation, word and sentence stress etc.

If you have any questions about any of the above, or if you need more advice, just ask your teacher or the Director of Studies.

ELC E-LEARNING/ GEL

Download the GELnet app or go to www.elcbristol.co.uk/study-zone/
The username and password = Your elc number for both; eg *elc20123*

WHY USE ELC E-LEARNING?

It is an excellent way to improve your English, working at your own pace and level, on whichever device suits you, including your mobile phone. You choose which skills to work on and practise as little or as much as you like. It's a great way to prepare for your course in Bristol, supplement your studies while you're here and even continue your progress after you've left us.

WHEN CAN I USE IT?

You can start using it from the moment you enrol until 1 year after your course finishes.

WHAT MATERIALS ARE ON THE STUDY PAGE?

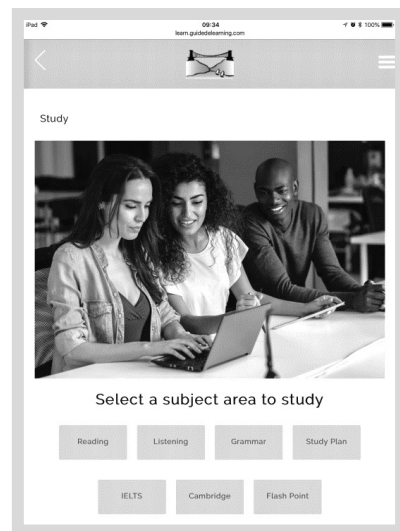

Skills Work: find listening difficult? Want to improve your reading speed? Focus on your weaknesses and work to get better.

Grammar Practice: choose a grammar point from the list, read clear explanations and try a variety of practice exercises.

Study Plan: here you get to work on a variety of different skills. It adapts to your level: if it's too easy, the exercises get more difficult, but if you're struggling, they get easier.

Exam Practice: planning on taking IELTS or a Cambridge exam in the future? Work on the skills you'll need here.

Flash Point: each week you get a 45-minute lesson based on a newspaper article. Each lesson has vocabulary and comprehension questions. You can also access all the previous lessons.

Apart from the Study page, you can do extra work on the Progress page. This work is directed to you by the programme in response to work you've already done. It contains lessons that e-learning recommends based on your previous performance or topics in which you have shown an interest. Teachers may also assign e-learning homework here.

LIFESTYLE

CULTURAL AWARENESS

Here is some information to help you adapt to life in Britain.

DO IT THE BRITISH WAY:

Meeting new people:

- Leave some space between yourself and the other person while you're talking.
- Maintain eye contact, but do not stare.
- When someone asks, '**How are you?**', after you say, '**Fine, thanks**', it's polite to ask '**And you?**'

Going to someone's house:

- If you are invited to someone's house for dinner, arrive a little later than stated (5-10 minutes). Sometimes the invitation will say, for example, 7.30 for 8. This means that you will start eating at 8 and so you should arrive anytime between 7.30 and 8.
- It is also a good idea to take a small gift, such as a bottle of wine or chocolates. British people often open presents immediately.
- If you are invited to a party you can arrive up to an hour after the time stated. You should take something for people to drink. If you are invited to a formal meeting, arrive at least 5 minutes before the time stated.
- If you visit someone's house, you will not need to take off your shoes when going in but this depends on the family. If you are not sure, then just ask.

Going out:

- When buying things or asking for things, it is important to be polite. You should always say "**Excuse me**", when starting the conversation. You should also say "**Could/Can I have.....please**". Remember always to say "**Thank you**" when you receive something.
- In pubs, cafes and clubs it is normal to pay for your drinks when you order them. Pubs normally close at 11pm, clubs between 2 and 4am. If you go to a pub or café, it's expected of you to buy at least one drink.
- It's normal to tip about 10% in a restaurant (if you are happy with the service) and the service is not already included in the bill, but not when buying takeaway food. You don't need to give a taxi driver a tip but some people give them about £1 or tell them to keep the change.

LIFESTYLE

ENGLISH OUT THERE

EXPERIENCING BRITISH CULTURE:

Studying English in England has one major advantage - you are exposed to the language 24 hours a day and this certainly helps you learn it more quickly. If you want to maximise your exposure to native speakers and immerse yourself in English culture you need to make a plan.

What can you do?

If you are staying with an English family, try to join in as much as possible. It's amazing how much conversation comes up if, rather than staying in your room, you offer to help around the house! You don't have to, but why not ask if you can help with the shopping or even the washing up! The friendlier you are with the family, the more they will open up to you and the more you can practise your English.

Bristol is an exciting city with lots going on. Keep an eye on the 'Bristol' monthly magazine and Bristol Visitor guide to see what events are happening locally.

You can join one of the very many and varied university sports clubs or societies. This is a unique advantage for students at ELC and a great way to make English friends. Available from September to May.

There's a huge variety of interesting local clubs for you to join. Popular clubs include running, football, zumba, ballet, salsa and hip-hop clubs. Even if you just go along to the gym and swimming pool in Clifton College, you are bound to meet up with local people.

Local churches: St Peter and Paul's Catholic Cathedral and All Saints Church of England Church are both close by on Pembroke Road, the local Mosque is in the University Students' Union building and the Synagogue on Park Row all encourage our students to attend and join in with social events. See the hall notice board for your contact information and if you are interested, just go along.

BISC (Bristol International Student Centre). The University Christian society arranges weekly excursions, activities and many events where you will have the chance to meet local people. For more information, speak to the Social Programme Organiser.

Lots of the social programme activities include listening to and interacting with native speakers. For example, theatre visits, guest speakers, pub quizzes, salsa classes and wine tasting. Sign up for activities in the office and enjoy yourself.

Out of classroom activities: Local surveys, photo trails and more are arranged by your teacher.

Working in the UK

The only international students who are allowed to work in the UK are those who have a Tier 5 Youth Mobility Visa. These are typically students between 18 and 30 who come from Japan, South Korea, Hong Kong and Taiwan. When there is demand, we run an ELC Job Club during which we help students prepare their CVs. We also advise them how to get a National Insurance Number which they will need before they can start to work. You can look for more information on our website (elcbristol.co.uk), where you can also find contact details of many of the places where our students have worked in the past and other key details about working in England.

THE MAIN THING IS TO REMEMBER TO SPEAK ENGLISH ALL THE TIME

During break time, at lunch time and after school. Don't fall into the trap of speaking your own language and just mixing with students from your own country. You can do this when you go home!

LIFESTYLE

HOMESTAY ADVICE

Accommodation is so important and we want you to be happy. We visit and are in regular contact with all our accommodation providers. They are all quite different: some of you may live with a family, others with a lady on her own; some may live in flats 5 minutes' walk from school, others in houses 30 minutes away; some of you will be the only student in the house, others may live with other students from the school. One thing they have in common is that students who have stayed there in the past have been happy and have recommended the accommodation.

Homes and customs are different all over the world. Try to be flexible. When you don't know what to do, ask! Remember the accommodation is not a hotel. Do not expect everything to be done for you. Try to help if you can, as if you were at home. The most important thing is that you are happy.

Here are some guidelines to help you feel at home:

YOUR ROOM: you should have a bed, desk, lighting and somewhere to hang and put your clothes. If something is missing, ask! In winter, central heating is provided but not overnight. If you are cold, ask for extra blankets. Your landlady will clean your room, but please keep it tidy and make your own bed.

BATHROOM: Ask your homestay when it is convenient for you to have a bath or shower. Leave the bathroom clean and tidy and be careful not to get water on the floor. Sometimes the hot water supply may be limited so try not to spend too long in the shower.

FOOD AND MEALTIMES: In England, breakfast is usually a 'help yourself' affair. In the evening you will eat with the family. If there is anything you cannot eat, please tell your homestay. Please be at home in time for meals. If you do not require a meal or if you need to eat early, it is important that you tell your homestay in advance. During the week and at weekends lunch is not provided, so you will have to make your own arrangements.

WASHING: The arrangements vary. Normally your homestay will wash one load of clothes once a week. Ask which day you should put your washing out. Sometimes, the homestay will ask you to use the washing machine yourself. Students do their own ironing and also their own hand washing. Ask where you should do this. The important thing to remember is to always ask!

MONEY/VALUABLES: Don't leave valuables lying around. It is a good idea to lock things up in your case. Alternatively, you can ask your homestay where the best place is to put things. If you have cash, open a bank account. We will help you do this

TELEPHONE: It is best not to use the house phone to make outgoing calls except, of course, in emergencies. Most families do not mind receiving calls, provided they are not too long, too often, and not after 10.00 p.m.! If you need to use the phone on a regular basis, we suggest you get a mobile.

LIFESTYLE

HOMESTAY ADVICE

VISITORS: If you wish to invite your friends round in the evening, please ask your homestay first. Also, if you have family or friends visiting you while you are here, please don't ask your homestay to let them stay. Ask in the office for a list of convenient hotels and bed and breakfast accommodation.

STAYING OUT LATE: If you are staying out late, tell your homestay. Security is important, so remember to lock the door when you come home and be quiet! If you decide to stay out all night, you must let the family know.

STUDENTS UNDER THE AGE OF 18 STAYING OUT LATE: You have to be back in your homestay by 23:00 from Sunday to Thursday and by 24:00 on Friday and Saturday. If you are not, your homestay will call the Principal and he will come out to find you and will also inform your parents. If there is an emergency and you are going to be late, make sure you call the homestay immediately.

HOLIDAYS: If you wish to go on holiday and it has been approved by the school, provided you give two weeks' notice and provided you are away for a full week, you will be refunded half the accommodation cost.

CHANGING ACCOMMODATION: If, for whatever reason, you wish to change your accommodation, please remember that changes happen at weekends and that you have to give **one week's notice within the first 4 weeks of your stay and two weeks' notice after that.** If you do not give the appropriate notice, you will have to pay for the notice period.

We want you to be happy. If you have a problem, talk to your homestay first. It is surprising how many things are just misunderstandings! Remember, we are also here to help, so you can come and talk to us at any time if there is anything you do not understand or feel unhappy about.

LIVING IN SELF CATERING

ELC Bristol offers self-catering accommodation in student houses with individual study-bedrooms and shared facilities. Our largest student residence is St. John's house, which has 28 student study-bedrooms and 2 onsite Residential Managers. Our other residences vary in size, accommodating up to 7 students in a single residence. In July and August we also use the summer residential accommodation, where we have up to 80 single study-bedrooms, and there are a variety of shared facilities.

Self-catering accommodation varies:

- *Cooking facilities:* You might have your own, or you might share these with a family or with other students.
- *The entrance:* The accommodation may be independent, with your own entrance, or this could be shared.
- *Your room:* This could be the top floor, or the basement, of a family house or a student residence.

In all types of self-catering accommodation you can expect the following:
(unless otherwise specified in the letter we send you)

BEDDING AND COOKING UTENSILS: Are provided unless otherwise advised. You should bring your own toiletries and towels.

UTILITIES: The rent includes electricity and gas but not a telephone line. All houses have Internet access.

CLEANING: You are expected to keep the accommodation clean and tidy yourself. If your accommodation is independent, you may have to supply your own cleaning materials.

WASHING: All of our self-catering properties have washing machines for you to use.

TELEVISION: If there is a television, we will confirm this in the letter we send you.

VISITORS/GUESTS: Make sure you understand the house rules/guidelines regarding visitors and guests. Don't assume that your friends can stay. Parties are not allowed.

HOLIDAYS: With self-catering arrangements, if you go away on holiday, you are not entitled to a refund. However, during the winter holiday when the school is closed, if you want to keep your room and you go away for at least 7 nights (weekend to weekend), you'll only pay 50% of the self-catering rate.

CANCELLING/LEAVING: If you want to cancel or leave your accommodation, you must give the school 2 full weeks' notice, except during the first 4 weeks of your stay when one week's notice is sufficient.

If you are in self-catering accommodation *in a family home*, don't expect too much contact with the family. They, and you, have probably chosen a self-catering arrangement so that you can both be independent.

OPENING A BANK ACCOUNT

WHY OPEN AN ENGLISH BANK ACCOUNT?

If you are only in the UK for a short while, it may not be necessary to open an account as you can usually use your debit card (from your own country) to withdraw cash from ATM machines. You should ask for the withdrawal to be calculated in GB Pounds rather than in your own currency as you usually get a better rate.

If you open a bank account here:

- You can transfer money to this account from abroad
- You can get cash from ATM machines.
- Avoids keeping large amounts of cash.
- If you are enrolled on a course for more than 6 months, you will get a card which you can use to pay for things in shops.

The main banks in the UK are :

- HSBC
- Barclays
- Lloyds
- Royal Bank of Scotland
- Monzo

WHICH BANK IS BEST FOR YOU?

This is difficult to say because they all offer more or less the same service. All UK banks will offer you a VISA debit card which you can use to get cash from ATM machines. If you are staying for more than 6 months, they should offer you a full bank card and a cheque book.

TO OPEN AN ACCOUNT:

1. Go to the school office and ask for a 'Bank letter.' You will be asked to fill in a form stating a few details, including which bank you want to join, your current address and address in your home country.
2. Take this letter, along with your passport, to the following bank.
3. The school is only able to issue you with a bank letter if we have arranged your accommodation. If you have arranged your own accommodation then you will need a certificate of registration from us and also a document from your landlord/landlady confirming your address.

RESPECT + PREVENT

RESPECT

ELC has staff and students of many different ages and nationalities and from many different backgrounds. The mix of people and cultures is what makes the school such an interesting and exciting place in which to work and study. Help us to keep ELC Bristol a happy place for all staff and students by remembering the following guidelines:

- Respect other students, staff and visitors, whatever their race, gender, age, sexuality, appearance or dress, disability, economic background, political opinion or religion.
- No discrimination of any sort. No bullying or sexual harassment.
- Speak English at all times. This way, people from other countries can understand you and join your conversation.
- Mix with people from different backgrounds and from different countries (not just your own country!). Learn new things about the world and about British life and culture.
- English is a polite language. Use **'please'**, **'thank you'**, and **'sorry'** to show your respect for other people.
- Think carefully about other people's feelings before you speak or act. What may be acceptable in your country might upset someone from a different culture. For example, you should not be overly physical in public.
- Teachers and other students may have questions about your culture, religion or background. Help them to learn more about you by sharing your beliefs and ideas, but respect that theirs may be different to yours. Remember that we are all different and this is what makes ELC Bristol such an interesting place!

If you hear or see anything that you think is unpleasant, rude or unfair please tell your teacher or talk to the Academic Director (mark@elcbristol.co.uk), the Director of Studies (pete@elcbristol.co.uk), the Director (john@elcbristol.co.uk) or the Principal (andrew@elcbristol.co.uk)

PREVENT

ELC Bristol recognises its responsibilities under the Counter Terrorism & Security Act 2015 to help prevent people of all ages from being radicalized or drawn into terrorism. We believe in:

- Tolerance
- Mutual Respect
- Democracy
- Individual Freedom
- Respect for the law

If you believe that someone has extreme political, social or religious ideals, please tell your teacher or talk to the Academic Director or email the Director – john@elcbristol.co.uk or the Principal – andrew@elcbristol.co.uk

HEALTH, SAFETY & WELFARE

SAFETY & SECURITY

ROAD SAFETY

In England we drive on the left-hand side of the road! When you cross the road, look right first!

POSSESSIONS

The school is a public building. Don't leave credit cards, passports, money or other valuables lying around in bags. Don't carry large amounts of cash with you. Please note that you can pay school fees directly at any bank. You don't need to withdraw large sums of cash and bring it in to school.

INSURANCE

If you have any items of value with you (laptops, mobile phones etc), we recommend that you insure them.

STUDENT CARD

We strongly recommend that you get an ELC Bristol student card on arrival and carry it with you at all times. It is a useful form of identification (**unless you want to go to a pub or club, then you should bring your ID**). With the card, you can use the University Students' Union and its facilities including the restaurants and the swimming pool, but most importantly, it has the **emergency school telephone number on the back (+44 7969 782846)**. In case of emergency, please call the school number during school hours or the emergency number out of hours. Also on the back, there is the telephone number of the Social Programme Organiser (you should call this number if you cannot remember where to meet or when the school buses are leaving etc).

HOW TO GET YOUR STUDENT CARD:

- Upload your picture: go to elcbristol.co.uk/selfie and upload any selfie of you. If you don't know your reference number, type in your first name and surname.
- If you prefer, you can come to the office and give us a copy of your picture. Make sure to write down your name on the back of the picture!

DRINKING LAWS

In England you must be 18 to drink any type of alcohol. Please do not disregard this law. Pubs and clubs will not let you in unless you are over 18.

GETTING HOME AT NIGHT

Like in every city, especially where there are a lot of young people, it is better to be careful when going home at night. Try to avoid walking home alone, particularly long distances or in dark areas, parks etc. Avoid being in the City Centre late at night, especially after the pubs/clubs have closed. It is a good idea to find out which other students live near you, so you can walk home together or share a taxi depending on the distance.

TAXIS

If you would like to take a taxi, it is best to telephone a taxi company in advance and ask them to pick you up. There is a taxi number on the back of the student card – Veezu: (+44 (0)117 9252626). If you want to catch a taxi in the street, make sure it is a licensed taxi. These taxis have special yellow plates on the front and back which indicate that they are licensed by Bristol City Council. You should not take an unlicensed taxi.

*Bristol is a lively, interesting city. We want you to have fun.
Enjoy yourself but be sensible!*

HEALTH, SAFETY & WELFARE

EMERGENCY PROCEDURES

At ELC Bristol, we take our Safeguarding responsibilities very seriously and although it is extremely unlikely that any emergency will happen while you are here, we always like to be prepared.

IN CASE OF EMERGENCY

- If there is an emergency and you are not in school, call the school number during school hours or ELC's emergency number out of hours. You can call this number 7 days a week: **+44 7969 782846**.
- Police, Fire Brigade, Ambulance: call **999**.

FIRE ALARM

When this rings, you must exit the building as quickly as possible. A number of our staff are Fire Marshals and will assist with evacuations. Fire drills are practised regularly. When you leave the building, you should meet at the Assembly points – the grass verge, in front of the building, on the Avenue side. You must leave in an 'orderly' fashion and you must never go back to get your possessions.

LOCKDOWN

This happens if there is a problem in the area of the school. For example, there might be a demonstration, intruders, severe weather, or an explosion in a chemical factory. With a lockdown, the ELC Emergency Team will lock the main school doors. You should remain in your classroom or go back to your classroom if it is during the break time and the teacher will check the class register. You should make sure all the windows are closed and the blinds are shut. Remain in your classroom until a member of ELC's Emergency Team tells you it is safe to come out.

EXCURSIONS/ ACTIVITIES

If there is an emergency when you are on an excursion or activity and you are not with the Social Programme Manager or Activity Leader immediately, call: **+44 7379 286902**. If there is no answer, call the school emergency number: **+44 7969 782846**.

Listen and follow instructions. The Activity Leader will tell you or text you if you are not with him/her and give you instructions, possibly to go to the original meeting point immediately or to go to the alternative meeting point (which you will have been informed about) or to go to a safe refuge (e.g. a named hotel).

If you are alone, the advice from the Emergency Services is:

RUN / HIDE / TELL

Run away from the danger. Hide where you can (somewhere which can be locked is preferable). Phone **999 or 112** and tell the Emergency Services. Then tell the Social Programme Manager **+44 7379 286902** or call ELC's emergency number **+44 44 7969 782846**.

HEALTH, SAFETY & WELFARE

IT'S GOOD TO TALK

If you are unhappy about something or if you have a suggestion, we would really like to know. It is such a shame to wait until the end of the course to let us know. Please tell us straight away and we will do whatever we can to solve the problem or make things better.

SUGGESTIONS

- There is a 'suggestion box' in the entrance hall so if you would like to make an anonymous suggestion, please write it down and put it in the box!

PROBLEMS

- Your first class teacher will interview you regularly. If you have a **problem with your studies**, please talk to your teacher or to the Vice-Principal or Director of Studies.
- If you have a problem with your accommodation, please speak to the accommodation team.
- If you cannot solve your problem or if you have any other sort of problem, or if you would like to make a formal complaint, please speak to the Principal or to the Directors.
- If you find it difficult to talk to a member of staff, you can always talk to your class rep.

ELC Bristol is a family-run school with a reputation for taking care of each individual student. Margaret Duncan (Director), Georgie Newcombe (Homestay Manager) and John Duncan (Director) are responsible for welfare but at ELC you will find all our teachers and staff are friendly, caring and happy to speak to you. We don't see you as just another student but as a person and we are all here to help you whenever we can.

RULES & POLICIES

SCHOOL RULES

ENGLISH

Speak in English all the time. Do not use your own language. Using your own language is not polite and it will not help you improve your English!

PUNCTUALITY

Please be on time for your lessons. If you are late, you waste your time and the time of the other students in the class. If you arrive more than 5 minutes late, your teacher has been instructed to send you to the Vice-Principal or Director of Studies, who will then decide if you can join your class. For more information, see our 'Lateness Policy'. This is also displayed in every classroom.

ATTENDANCE

If you are sick and cannot come to school, you must text the Director of Studies to let us know before the lesson begins. This is so your teacher can plan the lesson properly.

Who do I text if I'm not going to school?

The Academic Director/Director of Studies: **+44 07562648412**

Remember to say your name, the name of your 1st lesson teacher and why you can't come to school. This is so that the teacher can plan the activities and number of photocopies etc.

If you are sick for more than 5 days, you must get a doctor's fit/sick note.

If you arrange something and you know you will miss a lesson, please tell your teacher in advance.

If you miss lessons, your teacher will expect you to catch up in the self-study time.

If you come to less than 80% of the lessons (actual attendance – excused absences are still counted as absences), your leaving certificate will not say that you successfully completed the course and it will also show your final attendance percentage.

If you are under 18, you need to sign your name in the under 18s file every morning before your first lesson. If you are absent and you do not contact us, we will try to contact you. If we cannot reach you, we may call your emergency contact number.

ABUSIVE BEHAVIOUR/RESPECT

Respect each other and your teacher. The school will not tolerate any form of bullying, racism, aggressive or abusive behaviour. Report any such behaviour to the Principal, Vice-Principal or Director of Studies. See our 'Bullying and Harassment policy' for more information. There are also 'Respect' posters in every classroom.

MOBILE PHONES

Mobile phones ringing during lessons disturb everyone. If you have a mobile phone, make sure it is switched off before you go into class and please no 'texting' or checking Facebook during class time! Please don't leave the class to take or make a call, except in an emergency.

RULES & POLICIES

SCHOOL RULES

DRINKS/FOOD

No food or drinks in the multimedia centre. Only drink water in the classrooms.

CLIFTON COLLEGE

You cannot enter any other areas of Clifton College except the gym and swimming pool. You are not allowed to take photographs which include any Clifton College students.

MULTIMEDIA CENTRE AND E-SAFETY

You must follow ELC's e-safety policy for safe use of the internet.

Quiet zone! No 'chatting' - especially after school (15.30 – 17.30).

SMOKING/ALCOHOL

You can only smoke in the garden in the area near the tables. No smoking (includes e-cigarettes) inside the school building or in the streets next to the school – Guthrie Road or The Avenue. Please note: you have to be 18 to buy cigarettes or alcohol in the UK and it's illegal to buy them for U18s.

DRUGS

Absolutely no drugs ever. Drugs are illegal. Zero tolerance. You will be asked to leave the school immediately and your tuition fees will not be refunded.

DRESS CODE/BEHAVIOUR

Please dress appropriately for a multicultural environment. Please remember that there are children around the campus and you should behave appropriately at all times.

PLEASE NOTE

We reserve the right to ask you to leave the school without refunding tuition fees in the event of misconduct, criminal behaviour or serious attendance problems. The school also has school rules which we expect you to follow.

Unacceptable behaviour in school accommodation may result in students being asked to leave - we cannot guarantee that we will be able to find suitable, alternative accommodation.

The school has a 'disciplinary policy for students' in place and reserves the right to ask a student to leave the school in all serious cases. In the case of a student under 18 years, arrangements will be made for them to return home. For full information, please refer to:

RULES & POLICIES

CANCELLATION & REFUNDS

CANCELLATION AND REFUNDS - Policy and Procedures

If you have to stop your course early, please read these rules and then complete the Cancellation & Refunds form which you will find in your school file. Please give the completed form to the office.

***Please don't ask us to make an exception to the rules.
What we agree to for one person, we must agree to for everyone.***

These terms and conditions apply to students who book directly with the school. If you book through an Educational Tour Operator, their terms and conditions may apply.

- If we accept your enrolment, your £400.00 is **non-refundable**; however, if you enrol online or by telephone, you are entitled to a 'cooling off' period of 14 days with the right to free cancellation. If you start your course within these 14 days, we can charge a reasonable sum for services based on the proportion of the course undertaken.
- If you wish to **postpone** your course for any reason, for example, if you **need a visa and are still waiting** for the visa to be issued, you must let us know **at least 1 week** before you are due to arrive, otherwise you will have to pay for one week of accommodation to cover the notice period (if you have booked accommodation through the school).
- If you need a visa and you have your visa application refused, we will refund your fees, less the deposit, once we have received a copy of the visa rejection letter.
- If, for any reason, you have to stop your course early, **your tuition fees are non-refundable**.
- If you wish to change or leave your accommodation, the school will refund your accommodation fees in full provided you give at least **2 full weeks'** notice except during the first 4 weeks of your stay when only **1 week's** notice is necessary. Changes should always take place at weekends.
- Refunds are only paid back to the issuing account (and not necessarily to the student).

INSURANCE:

Students are **strongly advised** to take out travel and medical insurance and insurance to cover tuition fees in case of cancellation and loss of personal possessions.

HOLIDAYS

BEFORE YOU GO ON HOLIDAY:

There are 3 things to do before you book your tickets:

1. Check the holiday rules
2. Fill in the holiday form and give it to the office
3. Wait for the holiday to be approved

THE HOLIDAY RULES

Read this before you fill in the Holiday Form

- You are only entitled to take a holiday if you are enrolled on a course of **20+** weeks
- You cannot take a holiday until you have been in the school for at least **10** weeks
- You can only take **one** holiday every 3 months (**12** weeks)
- Holidays must always run from Monday to Friday. You cannot start a holiday in the middle of the week
- You must give **2 full weeks' written notice** that you want to take the holiday. You should complete the holiday request form and hand it in to the office
- **If you take a holiday, you are not entitled to a refund.** However, if it is convenient with the school, the holiday week(s) can be added to the end of your course. For example, if adding a week to your course means that you are then enrolled for just the first week of the next course, this would not be convenient. However, if you wish to take the last week(s) or the first week(s) of a course as a holiday, then this would be fine.
- You should check your visa requirements, as you may not be allowed to extend. Please ask in the office if you aren't sure.
- If you are **away** from **self-catering** accommodation, there is **no refund** for your accommodation for the period you are away. During the 2 week Christmas holiday when the school is closed, if you want to keep your room and you go away for at least 7 nights (weekend to weekend), you must pay 50% of the self-catering rate.
- If you are **away** from **homestay** accommodation and you have given 2 full weeks' notice to the school and the family, you will be refunded **50%** of the homestay rate, but this only applies if you are away for **7** full days, from one weekend to the next. There is no refund for parts of a week or for holidays mid-week to mid-week. During the Christmas holidays when the school is closed, if you vacate your room, you will not have to pay anything.
- If you take a holiday from school, you cannot usually stay in your **homestay** accommodation, especially if the holiday is for more than 2 weeks
- If you take a holiday for 4 weeks or longer, when you come back to school, you may need to take another test, so that we can decide which is the best class for you
- Remember there is **NO REFUND** for holidays even if you later cancel the extended weeks.

RULES & POLICIES

STUDENT DISCIPLINE

POLICY/ PROCEDURES

ELC Bristol reserves the right to ask a student to leave the school without refunding tuition fees in the event of misconduct, criminal behaviour or unsatisfactory attendance.

DISCIPLINARY PROBLEMS INCLUDE:

- Frequent non attendance or persistent lateness
- Disruptive behaviour in class
- Harassment, bullying, aggressive or abusive behaviour or lack of courtesy towards other students or a member of staff

At ELC Bristol, we want all students, staff, homestay providers and visitors to feel comfortable and happy in the school. We therefore have policies to protect everyone from bullying, harassment and abuse, to help us keep a friendly positive atmosphere in the school, classroom and in homestays. The school also has special policies to protect all children under the age of 18 from abuse.

DISCIPLINARY PROCEDURES:

1. Firstly, a student will be spoken to by their teacher. This will normally happen twice. The first time to check that there are no underlying problems and the second time, more strictly.
2. If the issue/situation does not improve, then the student will be cautioned by the Director of Studies and given a first warning letter. At this stage, the parents of students under 18 will be informed.
3. If the issue/situation still does not improve, the student is seen again by the Director of Studies or Vice-Principal and given a second warning letter. The student's representative, parents or sponsor may be informed at this stage.
4. If the issue/situation still does not improve, then there will be a final warning letter from the Principal or Vice-Principal and if things do not improve after this, the student will be asked to leave the school. In the case of a student under 18 years, arrangements will be made for them to return home.

In serious cases, there will be no warning letters but immediate dismissal.

Examples of situations when there will be zero tolerance include:

- Abuse of drugs or alcohol
- Any kind of violence
- Criminal behaviour which includes shoplifting, having sex with someone under 16 and sexting (sending indecent digital images) of people under 18 (including yourself if you are under 18).

In dealing with our students we aim to:

Be open, friendly, consistent, honest and fair

Ensure that communication is clear and understood

Make it clear to our students the course of action that will be taken

Ensure that we are accessible to listen to students at all times

Recognise that in times of stress or distress people act out of character

Not view behaviour as unacceptable just because it is forceful or determined

The school has the following policies and procedures relevant to this policy:

In order to comply with the General Data Protection Regulation, we will inform you whether you are required to provide certain student information to us or if you have a choice in this.

STORING STUDENT DATA

We hold student data for a maximum of two years on an encrypted database and in electronic registration folders on our network servers which only approved members of the school staff have access to. After two years the database automatically anonymises any data held on the system relating to the student that could be used to personally identify them. E.g. name, date of birth, passport information. After two years any student data held in the registration folders on the S Drive is manually deleted. After this two year period we keep records only of the dates of attendance and student nationality on our database to form the basis of figures for Quality Development planning within the school and figure analysis. Any data that is recorded on paper at any time during the registration process is securely shredded when the data has been inputted onto the database and S Drive. Recording student data on paper is discouraged and it is never stored for longer than necessary.
