English for Families

A great advantage of ELC Bristol being part of the Clifton College Education Group is that parents can do an English language course with us while their children attend a holiday club for children aged 3-16 run by Clifton College.

This is ideal for parents who want to study at ELC Bristol, while their kids have fun, mix with British and international children in the Holiday Club and enjoy the wonderful facilities of Clifton College, right next door to ELC in the beautiful surroundings of lovely, leafy Clifton.
